Greetings from the GSIS President

It was great meeting and seeing everyone at our conference in January 2007. I felt that it was a great success in which we all learned new things and made new friends throughout the state.

I am excited about this year's conference being held in Savannah at the Savannah International Trade & Convention Center. Holding the conference on Monday and Tuesday allows us to have the conference at such a great venue. We are always looking for presenters, I am sure there are a lot of you that are very knowledgeable and would do a wonderful job sharing your techniques and procedures that you have mastered in your SIS.

The entire Board and I relish your assistance. Please help us to keep you informed of changes in SIS. Make suggestions to the GSIS Board members; volunteer to serve on the Board; or assist in other areas. You are what this Group is all about. We continually strive to satisfy our purpose.

I hope to see you February 11 & 12, 2008 in Savannah.

Sincerely,
Priscilla Willis

Changing your Student Information System, please let us know!! GSIS maintains a map of Georgia listing the SIS used by each district.
